

I Come to the Garden

Matthew 26:30-33

***He has been to the
Garden before...***

***Before we face our
greatest fears we
must pray!***

***Before you enter
the Garden be
ready to do
whatever it takes***

He was wounded.

He was wanting.

He was willing.

***A place of
suffering***

***A place of
strength.***

***Arise, let US be
going!***
