

**REORIENTING
CITIZENSHIP**

Philippians 3:20-21

**The
Constitution of the
Christian
Community**

A Constitution:

**“Is the system of
fundamental
principles
according to which a
nation, state,**

Principle #1

*Christianity is about Righteousness
not rightness.*

(Matthew 5:20)

Principle #2

*Christianity is about the Character
of the heart not the conformity to
the rules.*

(Matthew 5:44-45)

Principle #3

Christianity is about Seeking the Kingdom of God not securing my place in the kingdom of the world.

(Matthew 6:9-10, 33)

Principle #4

*Christianity is about Hearing and
Doing what Jesus said.*

(Matthew 7:24)

***What if Jesus
really meant what
He said?***

I Want to ...

- Live like I am headed somewhere else.
- Love like I am hearing someone else.
