

**“Restore His  
Mind”**

(Philippians 2:5-8)

**Have you ever thought  
you were right, only  
later to discover that  
you were wrong!?!?**

# Introduction

- We have talked about restoring hearts and relationships.
- There is only one person that is always right.

# **We have been wrong...**

- Christians believed the world was flat.
- Christians believed that slavery was biblical.
- Christians justified the crusades.
- Countless wars have been waged in Jesus name.
- Churches have split, created countless denominations all claiming to be right.

# **What is my Christian worldview? (Luke 6:20-26)**

- Blessed are the poor.
- Blessed are the hungry.
- Blessed are the mourning.
- Blessed are the hated.
- Blessed are the rejected.

# If I truly had the mind of Christ

- The church would be filled, because worship would be a priority.
- We would baptize and welcome new members.
- We would have too many volunteers.
- We have more money than we could use.
- We would put our Hope in Christ.

*Be humble enough to  
be Christ minded.*

*We are constantly  
under His influence.*

*Think on these  
things.*

(Philippians 4:8)
