

## Making Disciples

### Part 6

1. In your own words, why is it important to think about God's plan of redemption in global terms?
2. When you think about the mission of your church, does the rest of the globe factor in at all? How so?
3. Have you given much thought to the unreached people groups around the world? If so, how does this affect your thinking and lifestyle? If not, why do you think you have never thought about it?
4. How would you describe your role in furthering the gospel around the world? If nothing comes to mind, write down a few things that you can begin to pursue in order to make missions a part of your life.
