The Heart of Christian Faith

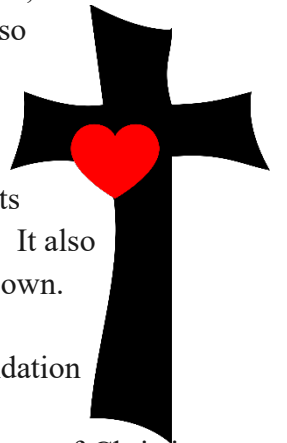

Confessing Jesus as the Son of God is a central belief in Christianity, expressing faith in His divine identity and His role in God's plan for salvation.

Scripture highlights this confession, as in Matthew 16:16, where Peter declares Jesus to be the Son of the living God. 1 John 4:15 also emphasizes that those who acknowledge Jesus as God's Son share in a relationship with God.

This confession sets Christianity apart, affirming Jesus's unique relationship with God and His role as Savior. It reflects belief in the Trinity and that Jesus came to redeem humanity. It also shows our willingness to submit to His authority and not our own.

Confessing Jesus as God's Son is one of the first steps in becoming a Christian, uniting believers and forming the foundation for worship and community.

In essence, confessing Jesus as the Son of God is a vital part of Christian faith, shaping believers' lives, hope, and sense of purpose. This one fact is what ties His people together as Christians, as the Church.

Our Mission

We take our stand on the Bible. Affirming it to be the complete, inspired, and authoritative Word of God.

We believe:

- o there is one true and living God, creator of all things.
- o Jesus Christ is the Son of God and the only One through whom people can be saved.
- o We are saved through faith in Jesus Christ. It is not our own works, but God's power through the blood of Christ that saves us.
- o The true church is the one found in the New Testament. Therefore, our effort and desire are to believe and do what the church did and taught.
- o The New Testament teaches that a person encounters the saving blood of Christ at the point they are moved by faith to repent, confess Jesus as Lord, and be immersed in baptism for the remission of sins.
- o Becoming a Christian embraces a commitment to spiritual growth in service, prayer, worship and giving.
- o Our mission is to seek the spiritually lost and to share the good news of Jesus Christ
