Lessons from a Snowflake

During the huge winter storm that swept across the nation, one weatherman showed a up-close pictures of snowflakes sent in by a viewer, and that reminded me of the amazing beauty of God's creative power. There are many lessons we can learn from the humble snowflake.

Snowflakes show God's amazing design. If you look at a snowflake under magnification, you will see they all have six points or sides, but take on an endless variety of shapes, styles, and sizes. What seems simple to the casual observer is actually an individual work of art by the hand of God. *"The heavens declare the glory of God; And the firmament shows His handiwork"* (Psalm 19:1).

Each snowflake is unique. Millions of snowflakes fall on this earth, and each one is different! Many may look similar, but they each have unique qualities that make them special. People are like that too. *“I will praise You, for I am fearfully and wonderfully made; Marvelous are Your works, And that my soul knows very well”* (Psalm 139:14). The unique qualities you have can all be used for God’s glory.

The closer you get, the more beautiful they become. Looking at a snowflake from far away, you may not see any design, beauty, or

strength to it. But when you get closer, you can see that is not the case! This is how it is with people, as well. The church needs to recognize we are all important and beautiful because we are God's handiwork (1 Cor. 12:12-20)! Draw closer to your brothers and sisters, and you will recognize the value of each.

Snowflakes have greater strength together. One snowflake by itself is not very strong. But put a whole bunch of snowflakes together, and you can make a snowball, a fort, or a snowman. A lot of snow together can stop traffic, shut down electrical grids, and bring daily routines to a grinding halt. This quality of snowflakes reminds us that as Christians, we are stronger together. When the church sets its efforts on a common goal, and works together, we can accomplish great things for the kingdom of God (Acts 9:26-31).

Snowflakes are short lived. From the time it is formed to the time it falls to the ground, then melts and evaporates, is a very short time. Our lives are fleeting as well (James 4:14). That's why we should make the most of the time we are allowed.

So let the humble snowflake point you to God and His amazing creation!

Our Mission

We take our stand on the Bible. Affirming it to be the complete, inspired, and authoritative Word of God.

We believe:

- o there is one true and living God, creator of all things.
- o Jesus Christ is the Son of God and the only One through whom people can be saved.
- o We are saved through faith in Jesus Christ. It is not our own works, but God's power through the blood of Christ that saves us.
- o The true church is the one found in the New Testament. Therefore, our effort and desire are to believe and do what the church did and taught.
- o The New Testament teaches that a person encounters the saving blood of Christ at the point they are moved by faith to repent, confess Jesus as Lord, and be immersed in baptism for the remission of sins.
- o Becoming a Christian embraces a commitment to spiritual growth in service, prayer, worship and giving.
- o Our mission is to seek the spiritually lost and to share the good news of Jesus Christ
